

A HELPFUL GUIDE ON WHAT TO WRITE ON THE BLANK SIDE OF YOUR SUBMISSION FORM -

I oppose the End of Life Choice Bill because.....	
I don't want Parliament to legalise euthanasia through this Bill because	
I am totally against assisted suicide because	
Euthanasia should stay illegal because	
I don't want the End of Life Bill to pass because	
I am against what this Bill stands for because	
I oppose making assisted suicide legal because	
I am against all forms of euthanasia because	
I oppose any sort of assisted suicide because	
I oppose the passing of this Bill because	

Add one reason from the list below:

...people need support, not killing' ...it will hurt vulnerable people.' ...it will harm public safety.'
 ...it will encourage more people to commit suicide.' ...because it will hurt disabled people.'
 ...it not necessary with excellent palliative care.' ...it will put the elderly at risk.'
 ...safeguards do not work do not work in practice.' ...it can lead to unfair pressure on sick people.'
 ...doctors can make mistakes about how long people will live.' ...of the slippery slope.'
 ...people who ask for it are often depressed.' ...people with depression need positive help.'
 ...depressed people often have clouded judgement.' ...in overseas countries it has led to abuse.'
 ...it will make suicide prevention even harder.' ...there is no way to enforce safeguards.'
 ...it will open the door to euthanasia on demand.' ...it is impossible to restrict it to the terminally ill.'
 ...doctors should heal not kill their patients ...it is open to elder abuse.' ...of the slippery slope.'
 ...it will tell teenagers it is ok to commit suicide.' ...it suggests that death is the answer to problems.'
 ...it will eventually apply to children here too.' ...I don't support the killing of my fellow-citizens'
 ...it endangers the elderly and disabled.' ...it will lead to increased tolerance of all suicides.'
 ...it is both unnecessary and unsafe.' ...it will hurt the weakest members of society.'
 ...it will discriminate against powerless people.' ...we should instead promote palliative care.'
 ...it will lead to the deaths of lonely and depressed people.' ...we need to protect the vulnerable.'
 ...these days no-one needs to die in pain.' ...I worry about the impact on depressed people.'...
 ...it will provide a cheaper option than real healthcare.' ...we should not encourage suicide'
