Did You Know?

Young children, including babies and toddlers, are wonderfully receptive to the Word of God. Children learn through play -
The purpose of play is to have a good time. The outcome of play is intellectual, physical, emotional and social development.
They have a simple, implicit faith and love to pray.
They respond well to clear and simple rules.

Essential Equipment

One of NZ's widest selections of books and teaching material for children will be on display and available for purchase.

(If you plan to purchase on account for a church, please bring authorization)

Check out the bookshop online at www.shop.cbm.org.nz
