Warm greetings on this Matariki holiday, and notices

Kia ora tātou,

We hope everyone is enjoying today's public holiday, a day which marks the New Year in Māori culture, and a day which celebrates whanau, home, remembrance, and connections to nature. These are things which people of every culture and faith can recognise and value. Christians both Māori and non-Māori do not of course enter into veneration, karakia and offerings to any atua/gods other than the God who made the universe, and is revealed in Christ and the scriptures. If you missed it, here's an [article by Māori Christian leader Brad Haami](#), and here's [what we wrote on this last year](#) – and here's some [other great resources and guidance](#).

BECOME AN ACTUAL MEMBER OF NZCN

Individuals, couples, churches, and Christian organisations may all officially join NZCN. Becoming a member carries some benefits (see [here](#)), but is primarily about making a statement that you are firmly committed to biblical Christianity and to working together with other Christians.

Not sure if you're already a member? [Click here](#) and if you can't log onto the site, chances are you aren't currently a member. You might have a customer account to manage purchases, but members can watch Te Rongopai online.

How often do you want to hear from us?

☐ Weekly, even if it's just notices. I like to know what's going on.

☐ Only when there is a message i.e. an editorial or article(s).

Zelda Robertson first completed an Alpha course in 1998 and it ignited a life-long passion for evangelism. She then volunteered extensively while working in corporate South Africa before moving to New Zealand in 2016 with her family and is the National Director of Alpha NZ.

Featured conference

The banner for 'Conference 23 - DNDN' features a central circular portrait of Dan Paterson, a man with a beard and short hair, smiling. To his left is a circular icon with a molecular structure, and to his right is a circular icon with a haloed figure. The background is dark with faint architectural details and the words 'DUN' and 'EDIN' on the left and right respectively. The text 'Thinking Matters Conference 23 - DNDN' is at the top, with the tagline 'Defend Faith. Navigate Culture. Reach People.' below it. Below the portrait, the text 'Dan Paterson' is written in a cursive font. To the left of the portrait, the text 'GET SOLID ANSWERS TO TOUGH QUESTIONS ABOUT CHRISTIANITY' is displayed. To the right, it says 'FOUNDER AND CEO | QUESTIONING CHRISTIANITY | BRISBANE, AUSTRALIA'. At the bottom, there are two buttons: 'Wellington 21-22 July' and 'Other locations'.

Maxim Institute | Sir John Graham Lecture 2023

15 September – Auckland CBD

**REBUILDING TRUST | POPULISTS, ELITISTS,
AND THE FUTURE OF OUR DEMOCRACY**

Trust has declined steadily in the developed world over some decades; more sharply in recent years.

The great economic and socially liberal consensus of post-WW2 governments has shattered, exposing a political climate that is increasingly fevered and volatile.

Over a banquet dinner, in the 2023 Sir John Graham Lecture, Associate Professor Tom Simpson will explore whether our future is one of increasing polarisation, or whether a new consensus can be forged, with trust at its core.

Would you like to have your organisation featured in our newsletter, post employment opportunities on our job board, or list events on our calendar?

You can! These are benefits we make available to Christian organisations and churches with current membership

Help spread the news...

New Zealand society is in a period of significant change, much of it away from the Christian faith and values. Christian voices in society are either ignored or scorned.

We need Christian voices which are positive, sensible, reasoned, well-informed, and clear.
