A unique, extraordinary and inspiring event! The NZ Christian Leaders Congress

Don't miss this unique gathering of Christian leaders from across New Zealand: leaders from so many different churches, denominations, organisations, places, and cultures!

New Zealand has seen major changes since our last such gathering.

As Christian leaders we need to confer, take stock, reflect on our current context, hear the Spirit of God, and work and pray to strengthen the church in New Zealand.

See the [programme](#), with an outstanding line-up of topics, speakers, panellists, and electives.

You can register for the whole Congress (please do). Or if necessary, you can register separately for Tuesday evening (5.00 pm to 8-45 pm.), Wednesday (9.00 am to 8.45 pm), or Thursday (9.00 am to 4.00 pm). Registration costs include catered on-site meals.

It is now very urgent for all intending participants to register.

Registrations will close on **WEDNESDAY 13 SEPTEMBER**.
Our caterers need numbers!

[Question](#)

Who can attend?

Do you have to be a bishop, pastor, elder, denominational leader etc. to attend?

No, **any committed, active Christian is welcome.**

**Whether or not you can come to
Congress, please pray for it!**

PRAYER POINTS:

1. That **God will challenge, encourage and inspire** all those who come to the Congress, as we reflect together on the church in our current New Zealand context.
2. That there will be a wonderful sense of **oneness in Christ**.
3. That there may be in the Congress **a spirit of prayer and of humility before God**.
4. For **God's anointing on all who speak**, and on Stuart and Gayann and other key organisers.
5. That **all those who God wants to come** and participate will hear of this and register.
6. **That the church in New Zealand may indeed be strengthened at this time.**

Maxim Institute | Sir John Graham Lecture 2023

15 September – Auckland CBD

**REBUILDING TRUST | POPULISTS, ELITISTS,
AND THE FUTURE OF OUR DEMOCRACY**

Trust has declined steadily in the developed world over some decades; more sharply in recent years.

The great economic and socially liberal consensus of post-WW2 governments has shattered, exposing a political climate that is increasingly fevered and volatile.

Over a banquet dinner, in the 2023 Sir John Graham Lecture, Associate Professor Tom Simpson will explore whether our future is one of increasing polarisation, or

whether a new consensus can be forged, with trust at its core.

Would you like to have your organisation featured in our newsletter, post employment opportunities on our job board, or list events on our calendar?

You can! These are benefits we make available to Christian organisations and churches with current membership

Help spread the news...

New Zealand society is in a period of significant change, much of it away from the Christian faith and values. Christian voices in society

are either ignored or scorned.

We need Christian voices which are positive, sensible, reasoned, well-informed, and clear.
